

Final Celebration

The final celebration is held after (or at) the last practice to celebrate the culmination of the season and the completion of the 5K. It's your final chance to celebrate everything your girls have done over their season (hint: IT'S A PARTY!).

- Invite parents, grandparents, site coordinator and principal to celebrate with you.
- Bring food/drink. Don't forget every team has up to \$50 petty cash to spend (complete the reimbursement form and return it to our office).
- Have girls share the best part of the 5K experience and a favorite memory from the season.
- Make certificates to hand out to the girls. **When presenting, make sure to say something special about the girl and her time with GOTR.** We love making special awards that really fit each girl. Give different coaches an opportunity to share. More ideas on this are below.

COACHES CORNER

Girls on the Run Medals

Coaches have medals to give each girl at the final celebration. We think the end of season celebration is the perfect time to commemorate your season with Girls on the Run medals. We hope they can be a reminder for your girls of their limitless potential.

Please don't bring your medals to the 5K! They are easily lost. Giving them out at the Final Celebration ensures that everyone gets one.

AWARDS WE LOVE:

You have certificates to give out to each girl at the end of the season. You can give each girl a special award and write it in on her certificate next to her name. Call the girls up to receive their medal and award certificate. The curriculum has a page of ideas for you or feel free to make up your own! Here are some of our favorite awards:

- Future GOTR Coach
- The Firecracker
- The Thoughtful Contributor
- Energizer Bunny
- Happy Pace
- The Free Spirit
- The Good Friend
- Check your curriculum for more great ideas!
